Subject: RE: Bill Draft Request

Hi Aaron-

Here is the language we drew up for the USH 63 bill we asked about:

In recognition and appreciation of Gaylord Nelson, the native son of Clear Lake who served with distinction as both Wisconsin Governor from 1959-1963 and as Senator from 1963-1981. Nelson's legacy includes numerous environmental achievements, including the founding of Earth Day, the creation of the Knowles-Nelson Stewardship Program and the preservation of the Apostle Islands in Lake Superior.

Please let me know if that works or what else you would need.

Thanks,
Charlie

Charlie,

Yes, I would be the drafter.

I assume you want the designation to apply to all of USH 63, rather than just a part.

Can you provide me with a short summary of what accomplishments you want commemorated, so that I can include it in the legislation. Examples in other statutes or bills include the following:

the "Lloyd Spriggle Memorial Bridge" in recognition and appreciation of Lloyd Spriggle, a local civic leader of Pierce County who actively worked for over 50 years to preserve and protect the environment and to improve the water quality and the beauty of the rivers, streams, lakes and forests of this state.

the "Georgia O'Keeffe Memorial Highway" in recognition of the artistic contributions and accomplishments of Georgia O'Keeffe, who was born in the town of Sun Prairie in 1887.

the "Avery Wilber Memorial Bridge" as a living memorial to and in honor of a World War II hero.

as the "Leo Frigo Memorial Bridge" in recognition and appreciation of Leo Frigo, a civic and philanthropic leader in the Green Bay area whose legacy includes one of the largest food pantry programs in the nation for feeding the hungry.

the "Donald K. 'Deke' Slayton Memorial Highway" as a living memorial to and in honor of Donald K. "Deke" Slayton, who brought credit to this state and, in particular, Monroe County for his contribution to this country's space program as one of the 7 original astronauts and as a participant in the first joint United States-Soviet space mission.

the "John R. Plewa Memorial Lake Parkway" in recognition and appreciation of the life of John R. Plewa and his public service as a member of the Wisconsin legislature for more than 20 years.

the "Ronald Reagan Highway" in recognition and appreciation of the public career of Ronald Reagan, who served for 2 terms of office with distinction as the 40th President of the United States of America and who subsequently demonstrated grace and dignity in his struggle with Alzheimer's disease.

Thanks. Aaron

Hi Aaron-

Senator Kreitlow would like a bill drafted to name Highway 63 after Gaylord Nelson. I was directed to you when I called, so is that something you could get drafted? Please let me know what other information you would need.

Thank you,

Do you want DOT to pay for the markers for the highway designation, or do you want to fund the markers with donations? Under this draft, DOT pays for the markers. If you prefer that the markers be placed only if sufficient donations are collected to pay for them, I can redraft this bill to look more like s. 84.1036, stats.
